

## CERTIFICATE OF ANALYSIS

### Product

|              |                             |                        |             |
|--------------|-----------------------------|------------------------|-------------|
| Product name | (E)-12-Tetradecenyl acetate | Product code           | EP00043     |
| CAS No.      | 35153-21-0                  | Pheromone code         | 12E-14:OAc  |
| Batch No.    | EP260203                    | Batch size / packaging | 1 kg; 25 kg |

### Specification and results

| Test                            | Specification                                                             | Result                   | Method                           |
|---------------------------------|---------------------------------------------------------------------------|--------------------------|----------------------------------|
| Appearance                      | Clear, colourless to pale yellow liquid; free from visible foreign matter | Clear, colourless liquid | Visual; record temperature       |
| Chemical group purity (GC area) | ≥ 95.0 %; sum of compound stereoisomers                                   | 96.5 %                   | GC-FID                           |
| Target isomer fraction (12E)    | Report distribution                                                       | 95.2 %                   | GC separation; isomer-normalised |

GC area %: stereoisomer peaks of the compound / total organic peaks, excluding solvent and internal standard; isomer fraction normalised within the group.

### Storage and dates

|                     |                                              |                  |            |
