

## TECHNICAL DATA SHEET

Standard grade

|                   |                                                |                  |          |
|-------------------|------------------------------------------------|------------------|----------|
| Product name      | 2-acetoxytridecane                             | Product code     | EP00157  |
| CAS No.           | 136376-56-2                                    | Pheromone code   | —        |
| Molecular formula | C <sub>15</sub> H <sub>30</sub> O <sub>2</sub> | Molecular weight | 242.3975 |

### Specification

| Property        | Specification                           | Method       |
|-----------------|-----------------------------------------|--------------|
| Appearance      | Clear, colourless to pale yellow liquid | Visual       |
| Chemical purity | ≥ 95.0 %                                | GC-FID (PEG) |

### Storage and handling

|                    |                                              |               |                       |
|--------------------|----------------------------------------------|---------------|-----------------------|
| Storage conditions | 2–8 °C, protected from light, tightly closed | Retest period | 12 months             |
| Packaging          | 1 kg; 25 kg                                  | Safety        | See Safety Data Sheet |
